## The High Performance door

Energy efficiency also goes through the front door

The front door can be considered the heart of your home. This is why we have taken the design of this steel door to another level in terms of energy performance. A door that keeps the cold winter air and the summer heat outside to make your home comfortable all year round.

- ✓ Improved comfort
- ✓ Energy efficiency
- ✓ Superior durability
- ✓ Increased security
- ✓ Unrivaled soundproofing

## Harmonious design

The High Performance door is available in seven models that can be matched with the complete collection of decorative glass in triple glazed format.

### Available models

# CONTEMPORARY STYLE

## Design collection doors

The unique doors of this collection are the perfect counterpart to the horizontal lines that triumph in contemporary architecture. Vivid or neutral in color, Design collection doors never go unnoticed.

### Oso doorglass

Four groups of three clear lines on a sandblasted finish that extend the Oso door's pattern. Ideal for designing harmonious and modern entrances.

**4/5** HIGH PRIVACY

Era steel door with decorative accents and sandblasted finish glass

### Asymmetrical design

Although stunning without doorglass, Era's asymmetrical composition is designed to leave room for a pull bar or a 7" × 64" doorlite — perfect for adding light to a narrow entrance where there are no windows.

## Vertical accent

Add warmth and texture by pairing these distinctive accents with the Uno steel door.

### Reeded wood accent **NEW**

This contemporary design, featuring reeded grooves on a wooden texture, is an innovation that is both elegant and inviting. The accent easily attaches to your Uno steel door, adding natural charm for a unique and unforgettable entryway.

### Aluminum accent

Decorative accent for Uno steel doors with a 7" x 64" vertical window. Available in alunox or black, it is applied over a hybrid aluminum/PVC frame of matching color. This combination ensures a perfect seal and finish.

Pairs with color-matched contemporary hybrid aluminum/PVC frame and doorglass kits. Solstice **NEW**, Edge, Oso, sandblasted finish or clear glass inserts available.

Doors sold separately.

The colors shown on the doors are for inspiration — Let your creativity flow!

# Decorative accents

Personalize the Design collection doors with decorative accents. Made of Alunox — a material which offers the appearance of brushed stainless steel with all the advantages of aluminum: no corrosion, no oxidation or fingerprints. Elegant design with beveled contour. Installation with automotive grade tape for added durability.

**Grilles** 2×3 (Custom  
configuration)

# Grilles

Grilles are a great way to match your entrance to the rest of the windows on your classic style home. For a modern, contemporary look, choose a configuration with fewer dividers like our Classic and Country style grilles. Best of all, our grilles are between the glass meaning they are maintenance free and will never need to be cleaned.
